## MINOR APPLICATION INFO

Cornell University undergraduates in any college can minor in Lesbian, Gay, Bisexual, and Transgender (LGBT) Studies in conjunction with a major defined elsewhere at the university. Interested students should make an appointment with the Director of Undergraduate Studies, 391 Uris Hall, 607/255-6481.

## LGBT STUDIES COURSEWORK

The minor consists of 4 courses in LGBT Studies, no more than 2 of which can come from a single discipline. Courses are listed on the LGBT Studies web site: [www.arts.cornell.edu/lgbt](http://www.arts.cornell.edu/lgbt); students register through the home department/program. A course cannot be counted toward an undergraduate major and an LGBT minor; furthermore, a course cannot be counted toward both a FGSS minor and an LGBT Studies minor.
