LESBIAN, GAY, BISEXUAL, & TRANSGENDER STUDIES PROGRAM

MINOR APPLICATION INFO
Cornell University undergraduates in any college can minor in Lesbian, Gay, Bisexual, and Transgender (LGBT) Studies in conjunction with a major defined elsewhere at the university. Interested students should make an appointment with the Director of LGBT Studies, 180 Rockefeller Hall, 607/255-6480.

LGBT STUDIES COURSEWORK
The minor consists of one required course, LGBT 2290 Introduction to LGBT Studies, and 3 other courses in LGBT Studies, no more than 2 of which can come from a single discipline. A course cannot be counted toward an undergraduate major and an LGBT minor; furthermore, a course cannot be counted toward both a FGSS minor and an LGBT Studies minor. Since course offerings change annually, students must consult the list of offerings each year to see whether a specific course will count toward the minor. Students register through the home department or program, and may petition the Director of LGBT Studies for courses not listed.
